OVERVIEW OF MEDICAL REVIEW WORK

WHO IS MRIoA?

Founded in 1983, Medical Review Institute of America, LLC (MRIoA) is an Independent Review Organization (IRO), that utilizes the expertise of physicians to help determine treatment appropriateness. Please view our website for more detail: www.mrioa.com

How is this done? Our reviewers review Prior Authorizations/Appeals for treatment to see if they meet nationally accepted medical guidelines and/or healthcare plan guidelines. They provide their expertise (in their area of specialization), as an unbiased, external source, and in compliance with ERISA/DOL and/or state laws.

IS REVIEW WORK FOR ME?

- Stay informed, specifically in your specialty field, allowing you to see how other like specialists' practice.
- Learn more about how to get your own Prior Authorizations approved?
- Do you have availability in your schedule to do review work a few hours a week during business hours?
- MRIoA reviewers complete 3-5 cases per week, on average. There are no minimum expectations.
- Payment for the review is paid per case completed and paid according to case type and/or complexity; see attached Payment Schedule for rate details.

Variety of Case Types: (Case type assigned will depend on your specialty, and what licenses you have)

  - **Appeals Cases -** vary in complexity and usually take between 20-60 minutes to complete.
  - **Initial Criteria Based Reviews –** Approximately 15 minutes per case.
  - **Specialty Matched Peer-to-Peer only cases –** 5-15 minutes per case.

- Many cases require a Peer-to-Peer conversation with the treating provider to obtain clarification. Calls are made during business hours. There is additional compensation for peer-to-peer calls.
- Turn-around Time deadline for completion of each case can vary depending on type of case, typically it is between 10-40 hours, some cases may have a shorter turn-around time deadline.

ADDITIONAL INFORMATION:

- Training will be provided.
- You will be covered under MRIoA's Errors and Omissions policy (traditional Malpractice Insurance is not applicable for review work).
- Work anywhere within the USA (per regulations patient care records cannot leave the US).
- Non-employed Independent Contractor (1099) opportunity.

REQUIREMENTS

Must be willing and able to do Peer-to-Peer calls, during business hours.

When required, must utilize healthcare plan criteria as the determining factor in decisions.

Must be currently Board Certified in specialty area of review work

Must have unrestricted state licensure.
